Request a 2022 project!

Requests for projects are now available for the 2022 P2 internship program. In this nationally recognized internship program, Iowa companies and institutions submit potential P2 projects for consideration. P2 Services then matches upper-level engineering students with specific projects based on each student's coursework, academic performance, experience, technical, and communication skills.

After one week of comprehensive training with P2 program staff the intern serves at the host facility, where they analyze the current processes, research strategies, calculate cost comparisons, and implement improvements. After writing a final report documenting results and recommendations, the intern presents this information to host company management and writes a case summary of the project. P2 Interns will arrive on-site at their host companies May 31, 2022.

Check out our [P2 Anniversary document](#) (pdf) for ideas of project areas and to see past project successes! Case summaries from our 2021 interns will be posted in September. Our technical staff is available for project development, questions, and ideas as your company considers hosting a P2 intern. [Download the 2022 project request form](#) (doc), and for more information on the program, visit www.iowap2interns.com or email P2Services@dnr.iowa.gov.
