

Pledge Card

Our Building Recycles!

Our building recycles cans, plastic containers, bottles, cardboard, and paper. We are asking you to help make our recycling program even better. Please check what you are committed to doing, and sign the bottom of the card.

I pledge to do the following:

- I will recycle my glass, paper, metal cans, and plastics in my building.
- I will buy recycled-content products and packaging.
- I will encourage others to reduce, reuse, and recycle.
- I will donate useable items that I no longer need to local charities, shelters, or other appropriate agencies.
- I will recycle my old electronics to reduce what I send to the landfill. I will check recycling web sites (such as www.chicagorecycles.org or www.earth911.org) to see what I should do with these items.
- I will recycle my household hazardous waste at appropriate recycling centers or events (see www.chicagorecycles.org).
