Dubuque Metropolitan Area Solid Waste Agency

Environmental Management System (EMS)

Fenceline Statement

The fenceline for the Dubuque Metropolitan Area Solid Waste Agency's Environmental Management System facilities, programs and services consists of four layers of influence. Those four layers are:

1. **DMASWA Landfill Boundary** - located on Dubuque's west side along U.S. Highway 20. The Agency owns 460 acres of property, of which 80 are permitted for landfill use.
2. **Dubuque County** – Population of 89,143 (2000 census) and 608 square miles of area. DMASWA is an intergovernmental entity formed in 1973 under Chapter 28E of the Code of Iowa. DMASWA is a partnership of the City of Dubuque and Dubuque County.
3. **Delaware County** – Population of 18,404 (2000 census) and 578 square miles of area. The Delaware County Waste Commission has a contract with DMASWA to bring waste to its landfill facility and is included in the DMASWA Solid Waste Management Comprehensive Plan.
4. **Out of State Customers** – Materials are accepted at the DMASWA Landfill from Jo Daviess County - Population of 22,289 (2000 census) and 601 square miles of area, Illinois and Grant County - Population of 49,597 (2000 census) and 1148 square miles of area, Wisconsin.
