

Facility Name: Poweshiek Transfer Station									
Aspect: Equipment operation/service at PTS and Waste transfer to Landfill									
Objective	Target	Metric	YW	H2O Quality	GHG	Recycling	HHW	Educ	Other
1 Reduce fuel usage at PTS	10% decrease	gallons/ton transferred			X				
	5% decrease	total gallons/year							
<b>Action Plan</b>	<b>Deadline</b>	<b>Responsibility</b>	Done. Trailers 400 & 405 put in service late February. Trailer 405 totalled by wind June 29, 2012 monitoring/providing feedback on trailer weights <a href="..\POWESHIEK TRANSFER STATION\trailer weights.xls">..\POWESHIEK TRANSFER STATION\trailer weights.xls</a> <a href="..\POWESHIEK TRANSFER STATION\electrical usage.xls">..\POWESHIEK TRANSFER STATION\electrical usage.xls</a>						
Purchase lighterweight-smoothside trailers to replace steel trailers	15-Mar-11	SLB							
Set expectations for minimum load weights	30-Oct-12	SLB							
Establish equipment idling policy for PTS									

Facility Name: Poweshiek Transfer Station									
Aspect: Electricity usage at PTS									
Objective	Target	Metric	YW	H2O Quality	GHG	Recycling	HHW	Educ	Other
2 Reduce electricity usage	<a href="..\TRANSFER STATION\electrical usage.xls">..\TRANSFER STATION\electrical usage.xls</a>	kWh used/month& year			X				
<b>Action Plan</b>	<b>Deadline</b>	<b>Responsibility</b>	Not implemented in 2012						
Educate co-workers about turning off lights and office equipment each day									
Hardwire overhead doors to better retain heat during coldweather									

Facility Name: Poweshiek Transfer Station									
Aspect:									
Objective	Target	Metric	YW	H2O Quality	GHG	Recycling	HHW	Educ	Other
3 Create baseline against which overall progress can be measured	Establish baseline	Completed			X				
<b>Action Plan</b>	<b>Deadline</b>	<b>Responsibility</b>	Not complete in 2012						
Complete GHG baseline for PTS operations using DNR model									

Facility Name: Poweshiek Transfer Station									
Aspect: HHW satellite at PTS									
Objective	Target	Metric	YW	H2O Quality	GHG	Recycling	HHW	Educ	Other
4 Increase HHW/CESQG program success in Poweshiek County	200 overall users and 5,000 pounds recovered	# of participants/year					X		
	Increase # of participants from every town	pounds recovered/year	As of 10/25/12 -- 170 residential customers; 5,887 lbs recovered accomplished in year: see RCC semi-annual report						
<b>Action Plan</b>	<b>Deadline</b>	<b>Responsibility</b>							
Add permanent drop-off point at PTS	Opens April 9, 2012	SLB/PTS staff	<a href="PTS RCC grant\RCC October 15 2012 semi annual report.docx">PTS RCC grant\RCC October 15 2012 semi annual report.docx</a> <a href="..\SITE MANAGEMENT\HHW\2012\montezuma 2012.pdf">..\SITE MANAGEMENT\HHW\2012\montezuma 2012.pdf</a> Hard rain						
Hold 1 of 2 collection events outside Grinnell	Montezuma, Oct. 13, 2012	SLB/MWA							

Facility Name: Poweshiek Transfer Station									
Aspect: WG, metal, LP tank recycling at PTS									
Objective	Target	Metric	YW	H2O Quality	GHG	Recycling	HHW	Educ	Other
5 Develop and implement shingle recycling opportunity at PTS						X			
<b>Action Plan</b>	<b>Deadline</b>	<b>Responsibility</b>	Received bids; SCISWA Board refused to purchase June 2012 100'X100' poured 8/23/12; available for use 8/29/12 -- base shared with WG, metal recycling area -- improves stormwater/drainage Delayed shingle recycling						
Procure skidloader	1-Aug-12	SLB							
Pour hard surface storage pad	31-Aug-12	SLB							
Education to roofers/construction firms/others	ongoing	BW-A/SLB							
Kick-off	1-Sep-12								

Facility Name: Poweshiek Transfer Station									
Aspect: Marketing, education for customers & public at large at PTS									
Objective	Target	Metric	YW	H2O Quality	GHG	Recycling	HHW	Educ	Other
6 Increase SCISWA visibility and provide public education			*			*	*	X	
<b>Action Plan</b>	<b>Deadline</b>	<b>Responsibility</b>	With the addition of two smooth-sided trailers, we can add an outreach effort (mobile billboards) at the Transfer Station. Not completed in 2012						
Promote satellite use and proper haz materials management	Ongoing	SLB							
Place resource about yard waste options & restrictions in scalehouse	30-Oct-12	SLB							
Place advertising signs on the sides of PTS - MAC trailers	31-Dec-12	SLB
