

Hazardous Materials Virtual Roundtables – Landfill of North Iowa & Pollution Prevention Services
March 2022

Universal Waste Virtual Roundtable
March 2, 2022: 10:00am – 12:00pm

Objective: Conduct a virtual roundtable open to business and industry in the LNI service area that will overview EPA's Universal Waste Program, local collection programs, and technical resources available to minimize universal waste generation.

[Register Here](#) for the Universal Waste Roundtable event!

Attendance is free, but registration is required to obtain connection information.
