I. Subcommittee #5 - C&D Summary

The meeting began with the project consulting team reviewing the agenda for this meeting (see Attachment A) and the previous strategies discussed. The slides presented for this Subcommittee meeting are included in Attachment A.

The goal for this meeting was to finalize the objectives and strategies to be presented at Stakeholder Meeting #3 and to confirm the recommended timeframe for implementing C&D strategies considering immediate (0-3 years), medium (4-10 years) and long-term (11+ years).

The discussion concluded with the following Objectives, Strategies, and timelines moving forward to Stakeholder Meeting #3.

A. Objective 1: Develop Deconstruction and Reuse Industry in Iowa
   
   **Short Term (0-3 years)**
   - Conduct studies and evaluate data on C&D waste in Iowa
   - Conduct analysis to determine viability of donation and deconstruction facilities

   **Medium Term (4-10 years)**
   - Educate building community on deconstruction principals, practices, facilities and services
   - Review and update building policies, programs, and codes to prioritize building reuse and incentivize material reuse

   **Long Term (11+ years)**
   - Identify, evaluate, and implement incentives for purchasing deconstructed materials

B. Objective 2: Support Use of Green Building Practices
   
   **Short Term (0-3 years)**
   - Develop sample project bid language supporting green building practices
   - Review and update local building policies, programs, and codes to implement green building practices

   **Medium Term (4-10 years)**
   - Adopt builder/contractor certification program (National program standards)

   **Long Term (11+ years)**
   - None at this time
C. **Objective 3: Support C&D Processing in Iowa**

**Short Term (0-3 years)**
- Research and Identify barriers and incentivize development of C&D processing facilities
- Research potential markets for C&D materials

**Medium Term (4-10 years)**
- Adopt recycling certification institute methods

**Long Term (11+ years)**
- None at this time

D. **Other Notes**

Other items of note from the #6-C&D meeting are as follows:
- Stakeholder Meeting #3 will take place on June 15, 2022

PowerPoint Presentation
Agenda
1. Review Previous Strategies Discussion
2. Finalize All Objectives and Strategies
3. Discuss Stakeholder Meeting #3

Strategy Implementation Schedule

Objectives
1. Develop Deconstruction and Reuse Industry in Iowa
2. Support Use of Green Building Practices
3. Support C&D Processing in Iowa

1. Develop Deconstruction and Reuse Industry in Iowa

Implementation Approach
- Legislation/Policies
- Infrastructure
- Funding Needs and Sources

Strategy Implementation Considerations

Short Term (0-3 years)
- Conduct studies and evaluate data on C&D waste in Iowa
- Revise and rework multi-departmental task force on C&D
- Conduct analysis to determine viability of donation and deconstruction facilities

Medium Term (4-10 years)
- Educate building community on deconstruction principles, practices, facilities and services
- Review and update building codes for government projects to prioritize building reuse and incentivize material reuse

Long-Term (11+ years)
- Identify, evaluate, and implement incentives for purchasing of deconstructed materials
2. Support Use of Green Building Practices

Short-Term (0-3 years)
- Develop sample project bid language supporting green building practices
- Review and update building policies and codes to implement green building practices

Medium Term (4-10 years)
- Adopt builder/contractor certification program (National program standards)

Support C&D Processing in Iowa

Short-Term (0-3 years)
- Research and identify barriers and incentivize development of C&D processing facilities
- Research potential markets for C&D materials

Medium Term (4-10 years)
- Adopt recycling certification institute methods
