## Checklist for Operation Permit Application

Bolded items are those often missed by applicants. This checklist is not all-inclusive; please read through your application thoroughly to ensure its completion prior to sending.

### Form 6

- Owner, facility, operator, and contact information
- Facility location** – Section, Township, and Range
- List of other operating permits and licenses required for the facility
- Map**
- Effluent sampling** – please note that this section will require water sampling – plan ahead to make sure you have enough time to have samples analyzed by a laboratory

### Form 5

- Signature

### Application Fee

- Application Invoice** – submit invoice and \$85 check made out to Iowa Department of Natural Resources

### New Land Application

- Engineering Review** – project number received from DNR Wastewater Engineering
