Re: **2025 Title V Air Emissions Fee and Base Fee Payment Information**
«EIQ_No» «Facility_No» «FacilityName»

The 2025 Title V Air Emissions Fee and Base Fee is due **no later than July 1, 2026** as required by 567 Iowa Administrative Code (IAC) 30.4(2). The Title V air emissions fee for calendar year 2025 has been set at **\$72.00 per ton**. Additionally, the annual Title V base fee is set at **\$5,000**. The DNR does not accept purchase order for any fee. The DNR provides two options for payment of the Title V emissions and base fees:

- To pay online: Please visit the DNR Payment Portal at <https://programs.iowadnr.gov/payments>. The amount of Title V emissions fees and base fee due may be retrieved by searching for the facility by emission inventory questionnaire (EIQ) number, facility identification number, or facility name as it appears in SLEIS. Payments may be made by credit/debit card or electronic check. No login is required and no additional paperwork is necessary.
- To pay by mail: Payments may be mailed to the DNR. A printout of the SLEIS Form 5.0 must be attached for emissions fees, and a copy of your DNR invoice should be included for base fee payments. Please list the EIQ number on the check. More information on accessing SLEIS is at <https://www.iowadnr.gov/environmental-protection/air-quality/air-quality-fees-schedule>. The mailing address is:
