

Proper marking and location for IOWA WASTE HAULER IDENTIFICATION

Iowa Administrative Code Chapter 567-102 Division V

Required information for markings:

- The name of the hauler and address (city and state)
- Iowa registration and number of the hauler (for example IA TH#00)
- Letters and figures must be legible at a distance of 50 feet
- Markings should be made with a color in contrast to the background
- Markings shall be displayed on each side of the equipment

SAMPLE MARKING

MEL'S TIRE HAULING
NORWALK, IOWA

A TH#007
