

Viewing Your Water Use Permit Online

Use the following link to access the Water Allocation Compliance and Online Permitting (WACOP) application:

<https://programs.iowadnr.gov/wacop/>

Contact wateruse@dnr.iowa.gov or 515-725-0341 for assistance.

BEFORE YOU BEGIN: These instructions assume you have already followed the steps to create an A&A Account, log in to WACOP, and link to your water use permit(s). If you have not completed these steps, go back to the Water Allocation and Use Program Page <https://www.iowadnr.gov/Environmental-Protection/Water-Quality/Water-Supply-Engineering/Water-Allocation-Use> and follow the user instructions to create an account and link to your permit(s).

1. Log in to [WACOP](#) from the landing page with your A&A username and password.

WACOP - Home Page

Welcome to the Water Allocation Compliance and Online Permitting (WACOP) Application.

This database stores information about Water Use Permits and allows users to manage their permit(s) online.

For information about the Water Use & Allocation Program, visit <https://www.iowadnr.gov/wateruse>.

3. You will notice a tabbing structure when viewing your permit. Each tab contains different types of permit information and you can navigate between the tabs by clicking on them.

Permit #: 10053 Log #: 28047 Business Name/Permit Holder: Kitty Fakepay Kat Transfer Company (Kitty Fakepay) Granted Period: 10/08/2018-07/15/2025 Use Type: Industrial/Commercial

Tracking Contact Documents Sources and Allocation Use Site Water Use Report History Permit History Payment History

This section includes contact information regarding the property owner and permit holder for this facility. The listed permit holder will receive all communications from the program, including annual fees, unless otherwise noted. Specifically which contact receives the annual fee invoice and completes the annual water use report is required.

- You are automatically directed to the Contact tab initially. This tab displays the contact information for the permit. You can edit the information if needed. If you need to change the business name or first and last name of the permit holder, you will need to submit a transfer application from your dashboard.
