

# 2017 REAP Assembly Report

During the October 2017, 18 Resource Enhancement and Protection (REAP) Assemblies were conducted throughout Iowa. The REAP Assemblies are required, per Iowa Code Chapter 455A.17, to be conducted on odd numbered years to provide attendees with information about REAP expenditures, ask attendees to identify opportunities or changes in policy, programs or funding, vote on motions for the five elected delegates per region to vote on at REAP Congress. 555 Iowans participated in the 2017 REAP Assemblies. In addition to electing delegates, the participants made 63 motions that will be forwarded to the REAP Congress for consideration on January 6, 2018.

**The following motions were approved at the Assemblies.** The number behind the motion indicates the number of Assemblies at which it was approved.

1. This REAP Assembly recommends that the 2018 REAP Congress supports fully funding REAP. **12**
2. This REAP Assembly recommends that the 2018 REAP Congress supports keeping the REAP formula intact. **12**
3. This REAP Assembly recommends that the 2018 REAP Congress supports fully funding the Natural Resources and Outdoor Recreation Trust Fund through the passage of a 3/8th of a percent increase of Iowa's statewide sales tax. **8**
4. This REAP Assembly recommends that the 2018 REAP Congress supports fully funding the Natural Resources and Outdoor Recreation Trust Fund through the passage of a 3/8th of a percent increase of Iowa's statewide sales tax, including keeping the current formula intact. **7**
5. This REAP Assembly recommends that the 2018 REAP Congress supports adding maintenance as an acceptable use of REAP funds. **2**
6. This REAP Assembly recommends that the 2018 REAP Congress supports removing the REAP sunset date. **2**
7. This REAP Assembly recommends that the Department of Natural Resources work with the Army Corps of Engineers for improved access on rivers and improve the permitting process. **1**
8. This REAP Assembly recommends that the 2018 REAP Congress support more varied use trails for hiking, biking, equestrian, etc. on public lands where applicable. **1**
9. This REAP Assembly recommends that the 2018 REAP Congress find a way to empower local REAP Committees. **1**
10. This REAP Assembly recommends that the 2018 REAP Congress supports extending REAP for 30 years beyond the 2021 sunset date. **1**
11. This REAP Assembly recommends that the 2018 REAP Congress declares that animal feeding operations are in opposition to the REAP Program. **1**
12. This REAP Assembly recommends that the 2018 REAP Congress contend that the Open Spaces portion of REAP is a critical piece and it should remain the same. **1**
13. This REAP Assembly recommends that the 2018 REAP Congress supports increasing the hunting and fishing fees. Hunters, anglers and trappers have paid their way and always will. **1**
14. This REAP Assembly recommends that there should be dedicated funding for watershed management authorities in the state of Iowa. **1**
15. This REAP Assembly recommends that the 2018 REAP Congress encourage federal partners to increase conservation funding in the Farm Bill. **1**
16. This REAP Assembly recommends that the 2018 REAP Congress ask the legislature to take action to improve water quality. **1**
17. This REAP Assembly recommends that the 2018 REAP Congress recommend that a sensitive plant and area inventory be a priority for REAP and the state of Iowa. **1**
18. This REAP Assembly recommends that the 2018 REAP Congress recommend that REAP Assemblies are held in early September or late November. **1**
19. This REAP Assembly recommends that the 2018 REAP Congress add small, medium and large categories for the County Conservation grant program. **1**
20. This REAP Assembly recommends that the 2018 REAP Congress emphasize education at a younger age. **1**

21. This REAP Assembly recommends that the 2018 REAP Congress supports that liability laws for recreation purposes needs to be addressed. **1**
22. This REAP Assembly recommends that the 2018 REAP Congress supports the expansion of riparian buffers. **1**
23. This REAP Assembly recommends that the 2018 REAP Congress work to educate legislators on the REAP Program. **1**
24. This REAP Assembly recommends that the 2018 REAP Congress supports fully funding REAP at \$25 Million. **1**
25. This REAP Assembly recommends evaluating the CAFO matrix as it relates to land use. **1**
26. This REAP Assembly recommends reinstating the Forestry Bureau. **1**
27. This REAP Assembly recommends that motions and responses be sent to appropriate offices. **1**

Additionally, participants at each assembly broke into small groups to discuss the most significant things REAP has done in their communities, positive and negative impacts and then a vision for the next five years. They listed and discussed over 710 ideas, recommendations and impacts. They are listed by region in the Assembly Summary later in this document.

**Below is a list of the most prevalent themes:**

Outdoor Recreation	Conservation Education	Historic Preservation	Natural Resources Conservation
<b>Most significant things REAP has done and why are these important to the place you live and the state?</b>			
<ul style="list-style-type: none"> <li>• Quality of life</li> <li>• Economic development for communities</li> <li>• Trails</li> <li>• New &amp; improved facilities (campgrounds, parks)</li> <li>• Places to go, things to do</li> <li>• Health (mental/physical)</li> <li>• Provides new and enhanced access (hunting, fishing, wildlife watching, recreation)</li> <li>• Diversity in recreational experience: communities can play to their strength (river, lake, forest, history, etc.)</li> </ul>	<ul style="list-style-type: none"> <li>• Materials for classrooms statewide/electronic</li> <li>• Connecting NGSS/CORE standards, curriculum development</li> <li>• Programs available to the public</li> <li>• Interpretive signage</li> <li>• Enables groups to collaborate</li> <li>• Engaging lowans of all ages</li> <li>• Dedicated funding to each county for staff and programming</li> <li>• Knowing exactly what is funded</li> </ul>	<ul style="list-style-type: none"> <li>• Digitize newspapers, historic photos, documents</li> <li>• Building restoration</li> <li>• Revitalizing downtowns</li> <li>• Economic impact/tourism</li> <li>• Retaining community identity</li> <li>• Leveraging of funds</li> <li>• Matching use of volunteer time, adds number of people involved in projects/organizations</li> <li>• Museums, document preservation and historic areas</li> </ul>	<ul style="list-style-type: none"> <li>• Improving water quality/nutrient reduction</li> <li>• Buffer strips, bioreactors, wind breaks, cover crops, etc.</li> <li>• Urban conservation</li> <li>• Awareness to water quality</li> <li>• Grant match dollars for rural</li> <li>• Restoration/ habitat improvement, threatened &amp; endangered species</li> <li>• Project Coordinators help carry out the projects</li> </ul>
<b>Positive and negative impacts of REAP projects in your community?</b>			
<ul style="list-style-type: none"> <li>• Positive</li> <li>• Increase in tourism to region.</li> <li>• Leverages funds</li> <li>• Attracts businesses</li> <li>• Negative</li> <li>• Competitive funding</li> <li>• Ease to find areas</li> <li>• Failure to promote</li> <li>• No funding for maintenance</li> </ul>	<ul style="list-style-type: none"> <li>• Positive</li> <li>• Travelling exhibits</li> <li>• Nature Centers (staff, programming, building, displays, et. al.)</li> <li>• Available locally</li> <li>• Negative</li> <li>• Not enough funds to reach kids, because busing costs</li> <li>• Competitive funding</li> <li>• Reliance on funds that change</li> </ul>	<ul style="list-style-type: none"> <li>• Positive</li> <li>• More public access to digital records/information</li> <li>• Lots of visitors to sites</li> <li>• Funds large &amp; small projects</li> <li>• Negative</li> <li>• Can't save everything</li> <li>• Belief that "free money" still exists</li> <li>• Competitive</li> </ul>	<ul style="list-style-type: none"> <li>• Positive</li> <li>• Improved soil health for future generations</li> <li>• Improved quality of life</li> <li>• Knowledgeable staff at the local level</li> <li>• Negative</li> <li>• Iowa known for water quality issues</li> <li>• Not enough money</li> <li>• Not enough awareness</li> </ul>
<b>Vision for next 5 years: changes or eliminations?</b>			
<ul style="list-style-type: none"> <li>• More funding (fund IWILL, REAP, etc.)</li> <li>• More education of lowans &amp; legislators about REAP</li> <li>• Fishing jetties, trails,</li> </ul>	<ul style="list-style-type: none"> <li>• More funding (fund IWILL, REAP, etc.)</li> <li>• Expand existing efforts</li> <li>• Target audiences: younger ages and landowners</li> </ul>	<ul style="list-style-type: none"> <li>• More funding (fund IWILL, REAP, etc.)</li> <li>• Need to engage communities</li> <li>• Cemetery restoration &amp;</li> </ul>	<ul style="list-style-type: none"> <li>• More funding (fund IWILL, REAP, etc.) Additional habitat on both public and private areas</li> <li>• Promote benefits of</li> </ul>

Outdoor Recreation	Conservation Education	Historic Preservation	Natural Resources Conservation
wetland development, campground, water trails <ul style="list-style-type: none"> <li>Trail connectivity, expansion &amp; maintenance</li> <li>Recreational shooting</li> <li>Share successful projects - more outreach</li> </ul>	<ul style="list-style-type: none"> <li>Community support with schools &amp; other groups</li> <li>Need to reach public (boards, schools, non-profits, parents) as to what is available</li> </ul>	repair <ul style="list-style-type: none"> <li>Identify, map, signage for one-room schools</li> <li>Better knowledge for counties/communities about program</li> </ul>	practices <ul style="list-style-type: none"> <li>Promote greater awareness of REAP</li> <li>Expand practices available to farmers</li> </ul>

**Individual Assembly Summary**

**Region 1: Decorah (Allamakee, Clayton, Fayette, Howard, Winneshiek)**

Attendance: 50

Chair: Jenna Pollock

Approved Motions:

1. This REAP Assembly recommends that the 2018 REAP Congress supports fully funding the Natural Resources and Outdoor Recreation Trust Fund through the passage of a 3/8th of a percent increase of Iowa's statewide sales tax, including keeping the current formula intact. Vote: Unanimous.
2. This REAP Assembly recommends that the 2018 REAP Congress supports fully funding REAP. Vote: Unanimous.
3. This REAP Assembly recommends that the 2018 REAP Congress supports keeping the REAP formula intact. Vote: Unanimous.
4. This REAP Assembly recommends evaluating the CAFO matrix as it relates to land use. Vote: Unanimous.
5. This REAP Assembly recommends reinstating the Forestry Bureau. Vote: Unanimous.

**Small Group Responses:**

Outdoor Recreation	Conservation Education	Historic Preservation	Natural Resources Conservation
<b>Most significant things REAP has done and why are these important to the place you live and the state?</b>			
<ul style="list-style-type: none"> <li>Need to get IWILL passed in Congress</li> <li>Quality of life</li> <li>Moving for livelihood, then finding employment - sense of place is HUGE</li> <li>Economic development for communities - study determined - builds continued financial, etc. support</li> </ul>	<ul style="list-style-type: none"> <li>Materials for classrooms statewide, electronic</li> <li>NGSS/CORE standards: connections &amp; help</li> </ul>	<ul style="list-style-type: none"> <li>Digitize newspapers, historic photos, documents</li> <li>Building restoration</li> </ul>	<ul style="list-style-type: none"> <li>Improving water quality/nutrient reduction</li> <li>Staffing/outreach</li> <li>Consistent funding - IWILL w/ original formula</li> </ul>
<b>Positive and negative impacts of REAP projects in your community?</b>			
<ul style="list-style-type: none"> <li>No negatives</li> </ul>	<ul style="list-style-type: none"> <li>Field experiences</li> <li>Research funding especially involving students &amp; non-directed</li> </ul>		<ul style="list-style-type: none"> <li>Funding for inventory/remnants</li> <li>More forestry practices &amp; education - return bureau</li> </ul>
<b>Vision for next 5 years: changes or eliminations?</b>			
<ul style="list-style-type: none"> <li>Keep formula the same and increase funding</li> <li>Figure out a way to push Iowa into national leader of efforts - always behind MN, WI, etc.</li> <li>More education at the Capitol: REAP funded areas (interpretive</li> </ul>	<ul style="list-style-type: none"> <li>Public education</li> <li>License Plates</li> </ul>		<ul style="list-style-type: none"> <li>Additional habitat/public &amp; private</li> <li>Improve soil health education</li> <li>Updating &amp; strengthen livestock confinement/manure regulations</li> <li>Increased consequences</li> </ul>

Outdoor Recreation	Conservation Education	Historic Preservation	Natural Resources Conservation
signage). - Critical role of REAP - Maybe invite legislators to experience recreational areas in person			for natural resource degradation <ul style="list-style-type: none"> <li>Increased CRP!!</li> <li>Simply CRP</li> </ul>

**Region 2: Ventura (Cerro Gordo, Floyd, Franklin, Hancock, Kossuth, Mitchell, Winnebago, Worth)**

Attendance: 23

Chair: Jeff Jenson

Approved Motions:

1. This REAP Assembly recommends that the 2018 REAP Congress supports fully funding the Natural Resources and Outdoor Recreation Trust Fund through the passage of a 3/8th of a percent increase of Iowa's statewide sales tax. Vote: Unanimous.
2. This REAP Assembly recommends that the 2018 REAP Congress supports fully funding REAP at
3. \$20 Million. Vote: Unanimous.
4. This REAP Assembly recommends that the 2018 REAP Congress supports keeping the REAP formula intact. Vote: Unanimous.

**Small Group Responses:**

Outdoor Recreation	Conservation Education	Historic Preservation	Natural Resources Conservation
<b>Most significant things REAP has done and why are these important to the place you live and the state?</b>			
<ul style="list-style-type: none"> <li>New &amp; improved facilities (campground, parks)</li> <li>Places to go, things to do</li> <li>Improved equip. for habitat management</li> <li>Health (mental/physical)</li> <li>Economic stimulation - give people places to go locally</li> </ul>	<ul style="list-style-type: none"> <li>Funds that were not present for Cons. Ed.</li> <li>Continue to encourage people to enjoy the outdoors</li> <li>Enhanced county-wide net working with Cons. Ed.</li> </ul>	<ul style="list-style-type: none"> <li>Mansion Portico - Forest City. Museum, archives to community.</li> <li>Downtown project - bank building (private owner) - leverage other \$ for these projects, encourages other donations</li> <li>Historic preservation is quite visible in Mason City</li> </ul>	<ul style="list-style-type: none"> <li>Buffer Strips</li> <li>Bioreactors</li> <li>Funding for soil &amp; water</li> <li>Marginal land acquisition for habitat</li> <li>Quality of life</li> </ul>
<b>Positive and negative impacts of REAP projects in your community?</b>			
<ul style="list-style-type: none"> <li>No negatives</li> </ul>	<ul style="list-style-type: none"> <li>Zero negative=more \$ more results!</li> <li>Greater impact/more coverage for ALL ages, more county, regional &amp; state wide coordination = expand &amp; develop the "web"</li> </ul>	<ul style="list-style-type: none"> <li>Can't save everything</li> <li>Spread to a lot of areas - brick &amp; mortar, interior</li> <li>Generational gap on why to do this</li> </ul>	<ul style="list-style-type: none"> <li>Quality of Life</li> <li>Improve water quality</li> <li>Improve soil health for future generations</li> </ul>
<b>Vision for next 5 years: changes or eliminations?</b>			
<ul style="list-style-type: none"> <li>Fishing jetties, trails, wetland development, campground improvements</li> <li>Expand recreational shooting area &amp; programs</li> <li>Trail connectivity &amp; expansion</li> <li>Continued land acquisition</li> </ul>	<ul style="list-style-type: none"> <li>More emphasis on the human connection to the land - dependency &amp; cause &amp; effects. BIG pictures, ex. water quality, land ethic</li> <li>Change &amp; eliminate nothing=expand programs, coverage &amp; audiences</li> </ul>	<ul style="list-style-type: none"> <li>Smaller counties don't understand what a small amount of \$ could do - doesn't have to be a building</li> <li>Need to engage these communities</li> <li>Help them generate projects</li> <li>Get message out about</li> </ul>	<ul style="list-style-type: none"> <li>Continue County Conservation: parks, education, open spaces</li> <li>Sustainability of the funding</li> <li>Fund the Trust</li> </ul>

Outdoor Recreation	Conservation Education	Historic Preservation	Natural Resources Conservation
<ul style="list-style-type: none"> <li>Water trails - river use</li> </ul>		our Technical Assistance Network	

**Region 3: Spencer (Buena Vista, Clay, Dickinson, Emmet, Lyon, O'Brien, Osceola, Palo Alto, Sioux)**

Attendance: 28

Chair: Jon Kruse

Approved Motions:

- This REAP Assembly recommends that the 2018 REAP Congress supports fully funding the Natural Resources and Outdoor Recreation Trust Fund through the passage of a 3/8th of a percent increase of Iowa's statewide sales tax. Vote: Unanimous.
- This REAP Assembly recommends that the 2018 REAP Congress supports fully funding REAP. Vote: Unanimous.
- This REAP Assembly recommends that the 2018 REAP Congress supports keeping the REAP and IWILL formula intact. Vote: Unanimous.

**Small Group Responses:**

Outdoor Recreation	Conservation Education	Historic Preservation	Natural Resources Conservation
<b>Most significant things REAP has done and why are these important to the place you live and the state?</b>			
<ul style="list-style-type: none"> <li>General enhancement opportunities: cabins, etc.</li> <li>Places to go &amp; things to do</li> <li>Trail development &amp; accompanying economic development</li> <li>More open spaces &amp; places to explore</li> </ul>	<ul style="list-style-type: none"> <li>Building our conservation future through education</li> <li>Naturalist program &amp; interns &amp; conservation centers</li> <li>Programs available to public at no charge</li> <li>Economic development in communities near education centers</li> </ul>	<ul style="list-style-type: none"> <li>Historic homes/buildings</li> <li>Newspaper digitization</li> </ul>	<ul style="list-style-type: none"> <li>Special projects/people</li> <li>Ag conservation</li> <li>Awareness of water quality</li> <li>County Conservation Areas</li> <li>Urban conservation</li> <li>Grant match dollars for rural</li> </ul>
<b>Positive and negative impacts of REAP projects in your community?</b>			
<ul style="list-style-type: none"> <li>Negative: lack of funding puts pressure on county and loss of opportunity due to reductions in funds (never fully funded)</li> <li>Positive: Increase in tourism to region - campers, trail users, etc.; health and wellness; family bonding (keeping Johnny out of trouble)</li> </ul>	<ul style="list-style-type: none"> <li>Debunking myths as stated by chair/lack of knowledge</li> <li>General awareness of stewardship</li> <li>Quality of life/open spaces</li> <li>Poor job of telling story/PSA</li> <li>Need for full funding/ more \$ per capita and per county</li> </ul>	<ul style="list-style-type: none"> <li>Preserving the past</li> </ul>	<ul style="list-style-type: none"> <li>Programs not known</li> </ul>
<b>Vision for next 5 years: changes or eliminations?</b>			
<ul style="list-style-type: none"> <li>Keep the formula the same</li> <li>Fully fund</li> <li>Increase sales tax to fund IWILL</li> </ul>	<ul style="list-style-type: none"> <li>Fully fund</li> <li>Continued or improved legislator support/county board of supervisors</li> </ul>	<ul style="list-style-type: none"> <li>Providing funds for cemetery preservation</li> <li>Historical education</li> <li>(Iowa History)</li> </ul>	

**Region 4: Correctionville (Cherokee, Ida, Monona, Plymouth, Woodbury)**

Attendance: 45

Chair: Rick Schneider

Approved Motions:

1. This REAP Assembly recommends that the 2018 REAP Congress supports fully funding REAP. Vote: Unanimous.
2. This REAP Assembly recommends that the 2018 REAP Congress supports fully funding the Natural Resources and Outdoor Recreation Trust Fund through the passage of a 3/8th of a percent increase of Iowa’s statewide sales tax, including keeping the current formula intact. Vote: Unanimous.
3. This REAP Assembly recommends that the 2018 REAP Congress supports keeping the REAP formula intact. Vote: Unanimous.
4. This REAP Assembly recommends that the Department of Natural Resources work with the Army Corps of Engineers for improved access on rivers and improve the permitting process. Vote: Unanimous.
5. This REAP Assembly recommends that the 2018 REAP Congress support more varied use trails for hiking, biking, equestrian, etc. on public lands where applicable. Vote: Unanimous.
6. This REAP Assembly recommends that the 2018 REAP Congress find a way to empower local REAP Committees. Vote: Unanimous.
