

Iowa DNR/Household Hazardous Materials

Material: Contact Cement

Potential Hazards: May contain ketones, naphtha. Vapors are harmful. May be flammable.

Recycle / Reuse: If you have leftover cement in usable condition, check with neighbors, church groups or the local community to see if they can use it. You may also take it to the Regional Collection Center's swap shop for other residents to use, find yours at iowadnr.gov/hhm under the RCC tab.

Proper Disposal: Take unwanted Contact cement to your local Regional Collection Center.

Green Alternatives: Acrylic latex contact cement.
