Appliance Demanufacturing Zoning Verification Form

To Whom It May Concern:

I am in the process of applying for an appliance Demanufacturing permit through the Iowa Department of Natural Resources. Department permit requirements include conformation from the zoning department that my facility meets zoning requirements for appliance Demanufacturing and verification that the property is located above the 100 year flood plain.

Iowa Administrative Code 567-102.600(1) states that all appliances must be demanufactured before being recycled or disposed of. Appliance demanufacturing consists of ensuring proper removal and disposal of electrical components containing PCB's, refrigerant, and mercury switches.

My appliance Demanufacturing facility is located at:

Name _____

Street Address _____

City _____ Zip Code _____

I request that you please fill out the information below and return to:

Iowa Department of Natural Resources
