Iowa Department of Natural Resources

Banner Shooting Range Annual Range Pass and Express Check-In Information

The Iowa Department of Natural Resources Shooting Sports Program welcomes you to the Banner Shooting Range. Whether you are an experienced target shooter or are brand new to the shooting sports, you will find your experience at Banner Shooting Range a safe and fun experience!

Due to popular request and for your convenience, the range now offers two more options to help you enjoy the range more often – eliminating long lines and getting you to the shooting bench sooner!

Express Check In

Express check in pass holders are frequent users with a demonstrated knowledge of the range safety rules. Generally, shooters will check in at the range office and receive a verbal range safety briefing from the Range Safety Officer (RSO) on duty each time they visit the range (which sometimes results in long lines). With Express Check In, users will demonstrate their knowledge of safety rules through a short, written safety orientation and be issued an Express Check In card upon successful completion. The card can then be presented along with your driver's license and once your daily range pass is signed, you may proceed to the range. The express check in card is valid for one year from date of issue. There is no cost for the Express Check In card and all regular range fees apply. Express check in card holders must check out at the range office prior to leaving the range.

Annual Range Pass

Annual range pass holders are frequent users with a demonstrated knowledge of the range safety rules. Annual range pass holders are entitled to full range access and regular shooting time charges are waived for one year from date of pass issue. All other product fees and surcharges still apply. Annual range pass users will demonstrate their knowledge of safety rules through a short, written safety orientation and be issued an Annual Range Pass card upon successful completion and payment of fees. The card can then be presented along with your driver's license and once your daily range pass is signed, you may proceed to the range. Annual range pass holders must check out at the range office prior to leaving the range. Current rates for annual range passes are \$240 for a single and \$300 for family (applies to spouse and minor sons/daughters of primary pass holder). Annual range passes are valid for one year from date of issue.
