

UST RELEASE NOTIFICATION FORM

(Completed by the UST Professional and Submitted to DNR UST Section and Owner/Operator)

A suspected or confirmed release has been identified at your property by your UST professional. Pursuant to Iowa Code section 455B.474 and 567 Iowa Administrative Code (I.A.C.) 135.6(1), **UST system owners and operators are required by law** to report suspected or confirmed releases to the Iowa Department of Natural Resources within 24 hours of discovery, or 6 hours if a hazardous condition exists, unless an exception applies. Please see the Department's Release Guidance at www.iowadnr.gov/ust for more information, including a Release Reporting Form.

If a confirmed release has been identified at your property, your UST Professional is required by 567 I.A.C. 134.22 to submit a copy of this form to the Department within seven days of discovery. This secondary submission does NOT excuse the owner/operator from making the initial reporting as discussed above and in the release guidance. Failure to directly report a suspected or confirmed release may result in the Department taking enforcement action against the owner/operator, to include the assessment of a monetary penalty.

For suspected and confirmed releases, notify the Iowa Department of Natural Resources at 515-725-8694. For hazardous conditions, notify the Department and your local law enforcement.
