

IOWA DEPARTMENT OF NATURAL RESOURCES, APPLICATION FOR COMMERCIAL SEPTIC TANK CLEANER - RENEWAL

Annual License Period July 1, 2025- June 30, 2026

Annual Renewal Deadline: May 31, 2025

Business Name: _____

Business Address: _____

City: _____ State: _____ Zip: _____

Phone: _____ Email Address: _____

License Number ST- _____ Number of Vehicles*: _____ County _____

(*Any device, including trailers, used to transport a tank for collecting or applying septage)

Septage includes all waste pumped from septic tanks, holding tanks and portable toilets. Iowa code requires that septage to be taken to a Wastewater Treatment Plant or land applied according to 567, chapter 68. **(Note: Portable toilet and holding tank septage cannot be land applied).**

Waste Management Plan

Enter the actual amount of septage disposed during the previous 12 months.

1. List each Wastewater Treatment Facility and the amount of septage that was disposed there. **A letter of acceptance from the owner of each facility must be included with this application.**

- a. Facility _____ Letter Attached Volume _____ gallons
- b. Facility _____ Letter Attached Volume _____ gallons
- c. Facility _____ Letter Attached Volume _____ gallons
- d. Facility _____ Letter Attached Volume _____ gallons
- e. Facility _____ Letter Attached Volume _____ gallons

Total taken to a Wastewater Treatment Plant (also enter below): _____ gallons

2. List each site where septage was land-applied. **Attach a separate site record sheet for each site.** (A record sheet is not needed for septage spread on a septic owner's property.)

- a. Site _____ County _____ Amount _____ gallons
- b. Site _____ County _____ Amount _____ gallons
- c. Site _____ County _____ Amount _____ gallons
- d. Site _____ County _____ Amount _____ gallons
- e. Site _____ County _____ Amount _____ gallons
- f. Volume spread on private tank owners property: County _____ Amount _____ gallons

Total volume of septage land-applied: _____ gallons

Total taken to a Wastewater Treatment Plant: _____ gallons

Total volume of septage that was pumped this annual period: _____ gallons

(Please attach additional pages if you need more space.)

VEHICLE INFORMATION: List vehicles below

Vehicle Id Number (VIN)	Make	Model	Year	Tank Capacity (gallons)	License Plate Number	State

(Please attach additional pages if you need more space.)

Certification: I understand that violations of any of the provisions of 567 IAC Chapter 68 may lead to revocation of the license. I hereby certify that this application contains no willful misrepresentations or falsification and that the information given by me is true and complete to the best of my knowledge and belief. I am aware that should investigation at any time disclose any such misrepresentation or falsification, my application will be rejected, my license will be revoked, and I will be disqualified from applying in the future for any license or certification under the jurisdiction of the Iowa Department of Natural Resources.

_____ **(Signature of owner or responsible party)**

_____ **(Date)**

_____ **(Printed name)**

_____ **(Title)**

Iowa Department of Natural Resources
Land Application Septage Disposal Site Record

Skip this page if you do not land apply septage. A separate Site Record sheet is needed for each land application site.

Site Address: _____ Reporting year: _____

Location: _____ ¼ _____ ¼ _____ ¼ of Sec _____ Twp _____ Range _____ County: _____

Field Number or ID: _____

Total Acreage of Site: _____

Iowa code limits septage land-application to 30,000 gallons per acre of cropland per 365-day period. A crop capable of using the nitrogen applied must be grown and harvested from the site after application of the maximum allocation of 30,000 gallons or, at a minimum, every third year.

Describe the site. Include which areas will be land-applied on, type of application that will be used, when and where crops will be planted, and harvesting schedules.

Application Date	Applicator (init.)	Acreage of Area to Which Septage was Applied	Location of Area within the Site	Gallons Applied	Total Gallons Applied Year to Date

Signature of Licensee
