

NOTICE OF DISCONTINUATION
OF A STORM WATER DISCHARGE
COVERED UNDER IOWA NPDES GENERAL PERMIT NUMBERS 1, 2, OR 3

Provide the name of the owner or facility to which the storm water discharge general permit coverage was issued, the facility name, and the county where the facility is located.

Owner Name: _____

Facility Name: _____

County: _____

Provide the complete permit authorization number for the discharge. This number is provided on the bottom of the authorization sheet.

Permit Authorization Number: IA- _____

Provide the date the storm water discharge was discontinued as defined in the applicable general permit or, for construction sites, the date the site reached final stabilization as defined on the back of this form.

Date of Discontinuation or Stabilization: _____

The following certification must be signed in accordance with the signatory requirements (see back side).

I certify under penalty of law that all storm water discharges associated with industrial activity from the identified facility have been eliminated. If this is a construction site, I certify under penalty of law that disturbed soils at the identified facility have been finally stabilized and temporary erosion and sediment control measures have been removed or will be removed at an appropriate time. I understand that by submitting this Notice of Discontinuation, that I am no longer authorized to discharge storm water, either associated with industrial activity, associated with industrial activity for construction activities, or at this site location by Iowa Department of Natural Resources NPDES General Permit No. 1, No. 2 or No. 3 under the authorization indicated above and that discharging pollutants from storm water associated with industrial activity to the waters of the United States is unlawful under the Clean Water Act where the discharge is not authorized by a NPDES permit.

I further certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gathered and evaluated the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for known violations.

FINAL STABILIZATION:

Final Stabilization means that all soil disturbing activities at the site have been completed and that a uniform perennial vegetative cover for the area has been established or equivalent stabilization measures have been employed. All building must be completed before the project is considered finally stabilized.

SIGNATORY REQUIREMENTS:

All Notices of Intent, Notices of Discontinuation, storm water pollution prevention plans, reports, certifications or information either submitted to the Department or the operator of a large or medium municipal separate storm sewer system shall be signed in accordance with subrule 567 IAC 64.3(8) of the Iowa Administrative Code as follows:

64.3(8) *Identity of signatories of operation permit applications.* The person who signs the application for a permit shall be:

- a. *Corporations.* In the case of corporations, a responsible corporate officer. A responsible corporate officer means: (1) A president, secretary, treasurer, or vice -president in charge of a principal business function, or any other person who performs similar policy or decision-making functions: or (2) The manager of manufacturing, production or operating facilities, if authority to sign documents has been assigned or delegated to the manager in accordance with corporate procedures.
- b. *Partnerships.* In the case of a partnership, a general partner.
- c. *Sole proprietorships.* In the case of a sole proprietorship, the proprietor.
- d. *Municipal, state, federal, or other public agency.* In the case of a municipal, state, or other public facility, either the principal executive officer or the ranking elected official. A principal executive officer of a public agency includes: (1) The chief executive officer of the agency, or (2) A senior executive officer having responsibility for the overall operations of a unit of the agency.
- e. *Storm water discharge associated with industrial activity from construction activities.* In the case of a storm water discharge associated with construction activity, either the owner of the site or the general contractor.
