SCHEDULED TRACKS

BEYOND THE BASICS: THE SUPERFECTA!

Low to Strenuous - Indoor/Outdoor **This runs all four sessions!**

Are you ready to level-up your confidence and skills in the outdoors? Are you eager to explore the wild sights, sounds, and foods that Iowa has to offer? This class is for you! During this four-class, cohort-style series, you'll join the same group of ladies and the same expert instructors to hone your knowledge in fishing, paddling, shooting, and wild game preparation. We'll dive into hands-on training, from kayaking the scenic waters of Lake Ahquabi to mastering .22

rifles at the Indianola Izaak Walton League.

Because "field to table" is the ultimate goal, we'll also cover the essentials of wild game processing with demonstrations on cleaning fish, squirrels, and upland birds. You'll put those skills to work in the kitchen, preparing a wild harvest menu that includes elk chili, savory pheasant or rabbit soup, and crispy turkey nuggets. This series is designed to give you everything you need to prepare you for independent adventures in the outdoors!

An Iowa fishing license is required.

MENTORED TURKEY HUNT

Moderate to Strenuous - Indoor/Outdoor **This runs all four sessions!**

Cut out the grocery store and try to harvest your own wild turkey! Join us on a mentored turkey hunt experience! This is for **Iowa residents only** and will run all four sessions of BOW.

On Friday, participants will be introduced to the basics of turkey hunting including turkey habitat, hunting techniques and equipment, turkey calling, and scouting techniques. Participants will then pattern their shotgun so they're ready for the hunt on Saturday and Sunday. Firearms and ammunition will be provided as needed. Participants will be paired up with knowledgeable mentors who will assist them with the hunt. The group will have dinner together on Friday night, so folks can get to know each other as well as make plans for the rest of the weekend.

Saturday and Sunday's sessions may start early or run late, depending on what each mentor and mentee decides. When you're not in the timber, participants will learn how to field dress turkeys as well as different culinary approaches to this favored bird. Additional details will be provided prior to the hunt.

An Iowa hunting license, habitat stamp, and Season 4 turkey tag are required.

Dress in layers and in clothes that can get messy - we’ll be using dyes around the campfire!

COOKING OVER THE CAMPFIRE

FIELD TO FRAME: FEATHER ART

Low - Indoor

Want to preserve the memories of your successful hunt, but don't have the wall space or money for taxidermy? Try Feather Art! This alternate to taxidermy mounts is not only a great way to show off the beauty of our game birds, but also functional! In this class we'll be using feathers from ducks, pheasants, turkeys, and more to create a one-of-a-kind feather art picture frame. Learn how to prepare the feathers, what adhesives work best, and get some tips and tricks for continuing to create feather art at home. If you have feathers of your own you'd like to use, that is just fine! If the skin is attached, please hand wash them with a mild detergent (i.e. Dawn dish soap) and dry them with a hair dryer. If they are loose feathers, washing and drying them in a fine mesh produce bag works great!

WHAT TO BRING

NECESSITIES

- **SHOES:** Sturdy shoes that can get dirty are important.
- **WEATHER APPROPRIATE:** Rain gear and cold-weather clothing are necessities, as classes will be held regardless of weather. This is Iowa and it's hard to predict what we will have for temperatures.
- **FREE TIME ITEMS:** You will have free time to relax and explore Wesley Woods Camp & Retreat Center grounds. Bring your camera, a flashlight/head lamp and a sense of adventure. You never know what you'll find! There are hiking trails on property to explore. Lake Ahquabi State Park, Bank Swallow Bend, Lundy Acres, Otter Creek, Woodland Mounds State Preserve, and other Warren County Conservation Board gems are minutes away.
- **SKINCARE:** Sunscreen and bug spray – it's that time of year.
- **AN OPEN MIND:** Bring a creative spirit and a willingness to learn and try new things. It will be an awesome weekend!

SESSION EQUIPMENT

- **DO NOT BRING ANY FIREARMS WITH YOU.** We will supply all firearms and ammunition for the Introduction to Shooting Sports and Beyond the Basics: The Superfecta! sessions.
- **IOWA FISHING AND/OR HUNTING LICENSE** Please purchase a fishing or hunting license **BEFORE** coming to the workshop. Besides annual fishing licenses, there are 1-day, 3-day and 7-day options available. Licenses can be purchased online at <https://GoOutdoorsIowa.com> or at retailers. If you have any issues, please let us know. A valid Iowa license is required for these classes:
 - * Mentored Turkey Hunt (**4th Season Turkey Tag, Hunting License & Habitat Stamp**)
 - * Basic Spincast Fishing
 - * Fly Fishing
 - * Beyond the Basics: The Superfecta!

SILENT AUCTION

- **FRIENDS OF BOW** will sponsor a Silent Auction on Saturday (*details on next page*). We're asking each participant to bring something to donate to the auction. All proceeds will go to support the BOW program. Please pay with cash, check, or credit card for any purchases.

BOWTIQUE

- **FRIENDS OF BOW** will sponsor the BOWtique where you can find all your BOW inspired apparel and gear. All proceeds will go to support the BOW program and BOW scholarships. Please pay with cash, check, or credit card for any purchases. BOWtique times will be posted at the event.

SILENT AUCTION

At each of our workshops, **FRIENDS OF BOW** holds a silent (*and sometimes not-so-silent*) auction to help us cover workshop costs and attendance scholarships. It's a lot of fun and we get to send participants home with some wonderful things. We are asking each participant to donate something to the auction. It doesn't have to be anything big – but we won't complain if it is! It doesn't even have to be anything new. Just bring something, if you can.

Below are some general guidelines and ideas, but don't let these stifle your creativity!

OUTDOOR THEME: but doesn't have to be outdoor equipment. For example, it could be a really cool rock, a lamp made of natural materials, an art print or a pair of hummingbird earrings. Of course, you're always welcome to bring a tent or a kayak. (*We try to be optimistic!*)

NEW OR USED: as long as it is in good condition. For example, if you have a piece of outdoor equipment you're no longer planning to use — bring it!

HOMEMADE ITEMS: knit gloves, crochet hat, crafts, paintings or other artwork, jams/jellies or dehydrated food are always welcome.

If you have an item to donate, please bring it to the registration area when you check in Friday.

All proceeds from the auction go to pay for equipment costs, scholarships, food and lodging for volunteer instructors, and a host of other expenses. Many thanks in advance for your generosity!
