

## **PUBLIC NOTICE**

The Iowa Department of Natural Resources (DNR) is proposing to renew the Title V Operating Permit for Magellan Pipeline Co., LLC - Des Moines. This facility is located at 2503 S.E. 43rd Street, Des Moines, Iowa 50327. DNR is currently reviewing an application for renewal submitted by Magellan Pipeline Co., LLC – Des Moines to operate their existing gasoline terminal/refined petroleum pipelines, (SIC 4613) (NAICS 486910).

Magellan Pipeline Co., LLC – Des Moines is required to obtain a Title V Operating Permit pursuant to 567 Iowa Administrative Code (IAC) 24.101. This facility has the potential to emit the following air pollutants annually:

PM-2.5 (particulate matter 2.5 microns or less in diameter): 1.93 tons  
PM-10 (particulate matter ten microns or less in diameter): 20.89 tons  
Particulate Matter: 20.89 tons  
Nitrogen Oxides: 33.44 tons  
Volatile Organic Compounds: 392.92 tons  
Carbon Monoxide: 10.74 tons  
Hazardous Air Pollutants: 24.4 tons

Based on the information provided in the Title V Operating Permit renewal application, the DNR has made an initial determination that the facility meets all the applicable criteria for the issuance of an operating permit specified in 567 IAC 24.107.

A complete record of the permit review, including the renewal application and the draft permit, is available for public inspection Monday-Friday, 7:00 a.m. - 3:30 p.m., at the Polk County address shown above.

The public comment period for the draft permit will run from April 10, 2025 through May 9, 2025. During the public comment period, anyone may submit written comments on the permit. Mail signed comments to Riley Plagge at the Polk County address shown above. The beginning date of this public comment period also serves as the beginning of the U.S. Environmental Protection Agency's (EPA) 45-day review period, provided the EPA does not seek a separate review period.

Written requests for a public hearing concerning the permit may also be submitted during the comment period. Any hearing request must state the person's interest in the subject matter, and the nature of the issues proposed to be raised at the hearing. DNR will hold a public hearing upon finding, on the basis of requests, a significant degree of relevant public interest in a draft permit. Mail hearing requests to Riley Plagge at the Polk County address shown above.

DNR will keep a record of the issues raised during the public participation process, and will prepare written responses to all comments received. The comments and responses will be compiled into a responsiveness summary document. After the close of the public comment period, DNR will make a final decision on the renewal application. The responsiveness summary and the final permit will be available to the public upon request.

Individuals with disabilities or limited English proficiency are encouraged to participate in all DNR activities, including submitting public comments. If a reasonable accommodation or language services are needed to participate, contact the Polk County staff member listed or Relay Iowa TTY Service at 800-735-7942 in advance to advise them of your specific needs. DNR's language access and disability nondiscrimination plans are available at <https://www.iowadnr.gov/About-DNR/Environmental-Justice>.
