**NOTICE**

The DNR has received an application from the Permittee for horizontal expansion. After review of the submitted documentation, the DNR has made a preliminary determination to approve the request. The DNR has developed a draft determination. A copy of the determination will be mailed to an interested person upon request. Copies of the DNR's draft determination may be reviewed at the DNR's Regional Field Office located at 1401 Sunnyside Lane, Atlantic, IA 50022. The file with regard to the Facility is available for inspection between the hours of 8:00 am and 4:30 pm at the DNR's Records Center at 6200 Park Ave Ste 200, Des Moines, IA 50321. The DNR Records Center will make copies from the file upon request. There is a charge for copy orders. To arrange a time to review the file or to request information regarding charges for copies contact the DNR Records Center at (515) 514-0513 or [dnr.records.request@dnr.iowa.gov](mailto:dnr.records.request@dnr.iowa.gov).

The procedures that the DNR will follow with regard to this permit application or postpermit modification request are set forth in Iowa Administrative Code 567 Chapter 113. A copy of this rule chapter is available at: <https://www.legis.iowa.gov/law/administrativeRules/agencies> and by requests directed to the DNR. The DNR strongly recommends that interested persons review the chapter.

## **COMMENTS SOLICITED**

By this Notice, interested persons are invited to submit written and signed comments to the DNR regarding this notice. To ensure consideration, comments must be received by the last day to submit comments identified above, and should include the following:

- A. A statement of the person's interest in the DNR's determination;
- B. A statement of the action the person wishes the DNR to take, including specific references to sections of the request that the person believes should be changed; and
- C. The reasons supporting the person's position, stated with sufficient specificity as to allow the DNR to investigate the merits of the person's positions.

Any submissions should display the public notice number next to the address on the envelope and on each page of any submitted comments, and include a return mailing address and telephone number. The DNR will consider all comments received during the comment period and may modify the determination based on those comments. Comments received by the DNR in response to this notice will be made part of the public record with regard to this permit.

The responsiveness summary to public comments received will be mailed to each commenter at the address on their comment submittal. The public record files for facilities, including the responsiveness summary, are primarily available electronically

at <https://programs.iowadnr.gov/solidwaste/reports/documentDNA> or <https://programs.iowadnr.gov/documentSearch/>. If there are questions regarding the availability of records or if physical review is required for the limited existing microfilm/microfiche records, the public is directed to contact the DNR Records Center at [dnr.records.request@dnr.iowa.gov](mailto:dnr.records.request@dnr.iowa.gov).

## **REQUESTS FOR PUBLIC HEARING**

The applicant, any interested agency, person or group of persons may request or petition for a public hearing with respect to the DNR's determination to approve or deny an application or postpermit modification request. Any such request shall clearly state issues and topics to be addressed at the hearing. Any such request or petition for public hearing must be filed with the DNR within 30 days following the date of the public notice and shall indicate the interest of the party filing such request and the reasons why a hearing is warranted. The DNR shall hold an informal and noncontested case hearing if there is a significant public interest (including the filing of requests or petitions for such hearing) in holding such a hearing. Frivolous or insubstantial requests for hearing may be denied by the DNR.
