---

\* Any person required to obtain a Title V permit shall pay an annual fee based on the first 4,000 tons of each regulated air pollutant and shall be paid on or before July 1 of each year.

\*\* Any person required to obtain a Title V permit shall pay an annual base fee. The following sources will be required to pay only one Title V annual base fee: municipalities, universities, and Title V facilities that have requested that their Title V permit be split into more than one permit for administrative purposes. The fee shall be paid on or before July 1 of each year.
