**Iowa Administrative Code, 567 IAC 68.7(2)“b”(5), Land application records.**

Persons who land apply septage shall document the following information and retain the records at their residence or business for five years:

1. The location, by either street address or latitude and longitude, of each septage application site;
2. The number of acres and precise application area in each septage application site;
3. The gallons of septage applied to each site for each application;
4. The rate, in gallons per acre, of septage application at each site;
5. The total gallons applied at each site to date for the year;
6. The date and time of septage application at each site; and
7. A description of how the vector attraction reduction requirements are met (injection, incorporation, or stabilization).
