All new dischargers are required to submit an \$85 application fee and this invoice with their permit application. The application fee and invoice must be submitted at the time application is submitted. Failure to do so will render the application incomplete.

The facility will not be authorized to discharge unless a completed permit application is filed with the Department. Be advised that a discharge of a pollutant without a permit is a violation of Iowa Administrative Code 567-62.1(1).

Complete and return this form together with a check or money order made payable to "Iowa Department of Natural Resources". To pay by credit card, email the completed form to webmaster@dnr.iowa.gov, then call 515-725-8200 to pay the fee. If you have questions regarding the fee, email Courtney Cswercko at courtney.cswercko@dnr.iowa.gov.
