

VIKING LAKE STATE PARK

2780 Viking Lake Rd, Stanton, IA 51573

Welcome to Viking Lake State Park, one of the most popular state parks in southwest Iowa. Viking Lake's accessibility, abundant recreational opportunities and its wealth of natural beauty make it an outdoor lover's paradise.

PARK AMENITIES/POINTS OF INTEREST/THINGS TO DO

In addition to the boundless natural beauty and unlimited wildlife habitat of Viking Lake State Park, visitors may also enjoy the picturesque water from one of the park's campsites. Of the large number of electrical campsites, some are even full hook-up campsites. There are also buddy campsites available. There are several lakeshore campsites; pull through campsites, as well as non-electric campsites. There are also modern rest rooms, picnic areas, three shelters, shower facilities, a dump station and a playground.

Fishing is second only to camping in popularity at Viking Lake. Renovation and restocking of the 140-acre lake was completed in 2009. Shoreline anglers will find six universally accessible fishing jetties. Species of fish in the lake include bluegill, redear sunfish, large mouth bass, channel catfish, crappie and walleye.

If swimming is your favorite past time, a sandy beach is located on the west shore. Swim at your own risk as the beach is unsupervised. The boat concession, near the swimming area, offers bait and rents kayaks, canoes and pontoons.

The Park's 6-mile White-tailed trail is a multiuse trail that goes around the lake and is a favorite among the trail runners and walkers. The trail is well-marked and maintained. In addition to the lake trail, there is also the Bur Oak Nature trail which is one-mile.

After a long day enjoying nature, head to the concession/restaurant located near the beach. This modern facility overlooks the lake, so you can enjoy fabulous cuisine and inspiring lake views. There are three shelters at the park available to rent. The lower picnic shelter has an enclosed kitchenette.

SPECIAL PARK RULES
