

TONNAGE FEE DISTRIBUTION

Fees are paid on each ton of Municipal Solid Waste (MSW) landfilled in Iowa. The base fee is \$4.25 per ton; however based on penalties and rewards for the landfill's waste diversion efforts, each landfill collects slightly more or slightly less than the base amount. Landfill operators remit a portion of the fee to the state each quarter. The remaining funds are to be used for planning and environmental protection activities at the local level.
